**1:00 WELCOME & INTRODUCTIONS**

**1:15 DISCUSSION**

- Claims testing update
  - Passages has submitted test claims with all 3 MCOs, going smoothly
  - Lutheran has submitted test file with Coordinated Care and CHPW, went smoothly
    - Still preparing for Molina and Amerigroup
  - CHPW testing with 9 sites in BHT region, all at different levels
    - Waiting for submitted files
  - Xpio: 38 providers have begun testing
  - How can providers register with portal to submit claims?
    - Information in symposium documents on BHT website ([link](#))
- EWS update & 2019 schedule
  - Finalized & approved list of indicators
  - Rapid response calls beginning January 2
    - M/W/F, some Saturdays through January (30 min only)
    - Include HCA, MCOs, BHT, behavioral health providers, BH-ASO
    - Call schedule posted on BHT website
    - After January, move to monthly webinar covering indicator data
    - Send Sarah or Charisse contact info to receive calendar invite
- Clearinghouse learning opportunity – Xpio
  - High interest in training, still looking for vendors willing to work with groups
    - Office Ally will hold online group training, ideally while testing is ongoing
    - Potential for shared learning, wait for more info from Xpio and BHT
- Resource update
  - NPI/Taxonomy update ([link](#))
    - Clearinghouses unable to accept taxonomy codes not generated at federal level (cannot accept local codes created by HCA)
      - For clinicians using one of these codes, register NPI with both local and federal taxonomy codes
    - Waiting for additional info on adding taxonomy to existing provider profile in ProviderOne
      - Will add answer to SERI/NPI Guidance page ([link](#))
  - MCO Shared Roster Template ([link](#))
    - Questions:
      - On new template, MCOs asking for NPPEW or HCA taxonomy number? (Columns V and W)
        - NPPES taxonomy as primary, HCA taxonomy (when applicable) in secondary field
      - Peer support counselors without bachelor's degrees, how to fill column L?
        - Awaiting answer from MCOs
      - Would like to see consistency on due date

- MCOs asking to see them as soon as possible to operationalize providers in contracts by Jan 1
    - “Behavioral Health” tab can stay empty?
      - Awaiting answer from MCOS
  - Updated MCO FAQ grid (version2) ([link](#))
    - Needs final approval from all MCOs, otherwise ready for release by end of week
- Other discussion
  - SERI will be released by end of month, accepting submissions using old SERI until July 2019
    - Test with the SERI you will be using at beginning of 2019
  - Organizations not required to test submitting claims/encounters, recommended
    - Need to be working toward submitting claims data, regardless of which SERI
    - Testing still available for 60 days after go-live date
  - Timeline for instructions on how to invoice for payment?
    - Invoice template still being considered for some services across MCOs
    - Most services do not require an invoice, but MCOs should have basic templates available
    - More information coming

**2:15 NEXT STEPS**

- Confirm meeting Dec. 19
  - Moving to same time on December 12, calendar invite will be updated—phone call
- Naloxone training on Dec. 10<sup>th</sup> ([details & registration](#))
